

POOLE FLAG TRUST

Established 2011

We are an independent local charitable trust, with registered number 8241690, whose aim is to promote localism in Poole principally by encouraging the flying of the Poole Flag the design of which originated from Poole Town Council's 14th century seal.

The right to fly this flag is unique as the College of Arms granted it to the Council and the inhabitants circa 1563.

For further information on the Poole Flag, please refer to the Society for Poole's website:
